**May 6, 2009 – 5:30 – 7:00 PM**

Please, join us at TACID ([www.tacid.org](http://www.tacid.org)) for *Woven Lives*. This wonderful event will feature door prizes, after work snacks, live music, a fun presentation on basket weaving, TACID success stories, and conducted tours of the TACID facility located on the TCC campus at 6315 South 19th, Tacoma, WA 98466.

## *Woven Lives*

*Woven Lives* will provide basket weaving displays from artist Sheila Wray ([www.beyondthebasicbasket.com](http://www.beyondthebasicbasket.com)) and the NW Basket Weavers ([www.nwbasketweavers.org](http://www.nwbasketweavers.org)) along with piano and voice stylings to illustrate the many elements that become the fabric of our lives. Our community is filled with different cultures and has a rich heritage of people, of personalities, and of art created by hand, which makes our Pierce County homes wonderful and harmonious places to live.
